Delta Dental Premier Dentist Network

You'll get the best value from your program when you receive your dental care from a Delta Dental Premier participating dentist:

▲ **No balance billing:** Because participating dentists accept Delta Dental's approved amount for service, you will normally pay less when you visit a participating dentist.

▲ **No claim forms:** Participating dentists will prepare and submit claim forms for you.

▲ **Direct payment:** Northeast Delta Dental pays the dentist directly, so you don't have to pay the covered amount up-front and wait for a reimbursement check.

To find out if your dentist is part of the Delta Dental Premier network, call your dentist or visit our web site at www.nedelta.com. Click on Locate a Dentist, then Local or National Dentist Directory. You can also call our Customer Service Department at 1-800-832-5700 or 603-223-1234.

Claim Submission Process for Participating Dentists

▲ Present your ID card to the dentist at the time of your visit.

▲ The dentist will submit your claim to Northeast Delta Dental.

▲ Northeast Delta Dental will send you a NOB (Notification of Benefits) detailing what has been processed under your programs coverage. You are responsible to pay any remaining balance directly to the dentist.

Claim Submission Process for Nonparticipating Dentists

Delta Dental provides coverage regardless of the patients' choice of dentists, participating or not. When visiting a nonparticipating dentist within the Northeast Delta Dental operating area of Maine, New Hampshire and Vermont, payment for services rendered will be based on the lesser of the dentist's actual submitted charge or the Plan's allowance for nonparticipating dentists. The patient may be required to submit the claim directly and pay for the services at the time they are provided. The Notification of Benefits and the claim payment will go to the subscriber; the patient will be responsible for any remaining balance. (In Maine, the claim payment will go to the subscriber unless a valid assignment of benefits has been received).

When visiting a nonparticipating dentist outside the Northeast Delta Dental operating area, payment for services rendered will be based on the lesser of the dentist's actual submitted charge or an amount equal to a selected percentile of a nationally-recognized database for the area in which the services were provided. The patient may be required to submit the claim directly and pay for the services at the time they are provided; the patient will be responsible for any remaining balance. The Notification of Benefits will go to the subscriber. The claim payment will go to the dentist unless the claim is marked "paid," otherwise it will be sent to the subscriber. (In Maine, the claim payment will go to the subscriber unless a valid assignment of benefits has been received).

Predetermination of Benefits

Northeast Delta Dental strongly encourages predetermination of cases involving costly or extensive treatment plans. Although it's not required, predetermination helps avoid any potential confusion regarding Delta Dental's payment and your financial obligation to the dentist.

Coordination of Benefits

When a covered individual under this program has additional group dental coverage, the COB (Coordination of Benefits) provision described in your Dental Plan Description booklet will determine the sequence and extent of payment. If you have any questions, please contact our Customer Service department at 1-800-832-5700 or, 603-223-1234.

Identification Card

Two identification cards from Delta Dental will be produced and distributed shortly after your enrollment. Both cards are issued in the subscriber's name, but can be used by every one covered under the program.

Dental Plan Description Booklet

You will receive a Dental Plan Description booklet shortly after your enrollment. This booklet describes the benefits of your program and tells you how to use your plan. Please read it carefully to understand the benefits and provisions of your Northeast Delta Dental program.
