

The Competition that keeps Drivers on the Road
New Hampshire

TMC Super Tech Competition

This event gives medium and heavy duty truck Technicians the opportunity to showcase their technical knowledge and skills in competition with other Technicians throughout the area. Technicians from nearby states are invited to compete if there is no TMC sanctioned competition in their home state. Technicians will take a written test which is followed by hands-on skills challenges. A number of practical stations will be set up designed to test each Technician's general knowledge & ability in a functional area. First, second and third place contestants are awarded prizes and lunch will be provided. All competitors will receive two tickets to attend the awards banquet to be held June 3rd at the Puritan Back Room in Hooksett, NH. The winner of the New Hampshire TMC SuperTech Competition will automatically be eligible to compete in the finals at the TMC National SuperTech Competition, September 16 – 19, 2017 in Orlando, Florida.
