

National Apprenticeship Week 2017

November 13 – 19, 2017

Dear Apprenticeship Sponsors and Partners,

As the weather turns colder and leaves begin to change colors in New England, we are asking you to showcase the great work being done in your NH apprenticeship program.

National Apprenticeship Week (NAW) is a national celebration that offers leaders in business, labor, education, and other critical partners a chance to express their support for Apprenticeship. NAW also gives apprenticeship sponsors the opportunity to showcase their programs, facilities and apprentices in their community. The weekly events highlight the benefits of Apprenticeship in preparing a highly-skilled workforce to meet the talent needs of employers across diverse industries.

Mark your calendars for **November 13 - 19, 2017** as we will celebrate the third annual National Apprenticeship Week across the country and we want this year's celebration to be bigger than ever. Please join the movement and help us reach our goal of over 1,000 events across the country by hosting and/or participating in an event.

Look for the national webpage to see how simple it can be to participate:

Don't forget to register for national recognition of your event:

Feel free to share this with all of your contacts.

Sincerely,

Lauren M. Smith, State Director
