

**Unsafe Driving
Avoid the Penalties
Save your CSA Score
Avoid Crashes**

New Hampshire Motor Transport Association, in cooperation with the Federal Motor Carrier Safety Administration and New Hampshire State Police Troop G, will be presenting a seminar focusing on Unsafe Driving and how it impacts your company.

During this workshop, the following areas will be covered to assist you in improving your company's Unsafe Driving violations:

- The effective programs, policies and measurable procedures your company can implement to reduce Unsafe Driving violations;
- How roadside data is used to measure your company's highway safety performance and steps you can take to increase compliance with the Federal Motor Carrier Safety Regulations;
- Programs state and federal agencies have implemented to target drivers and carriers who have unsatisfactory Unsafe Driving behavior; and
- Examining New Hampshire State Laws impacting employee misconduct and discipline issues.

The seminar will also allow your company to view your safety data and how the violations your drivers receive impact your CSA scores.

Here is your chance to get clarification from the enforcers and be informed about what FMCSA and DMV expect to see at an inspection, and how you can protect your company. Here is your chance to avoid the penalties!!
