

## **Compliance Safety Accountability**

### **ELD Update, Requirements What Drivers Should Expect at Roadside Inspections**

New Hampshire Motor Transport Association, in cooperation with the Federal Motor Carrier Safety Administration and the New Hampshire State Police, Commercial Vehicle Unit, will be presenting this informational seminar focusing on the latest ELD Rules and how these will be enforced at roadside.

This is not just an hours-of-service update. Steve Piwowarski, NH Division Administrator for the FMCSA, and the lead trainer for the FMCSA in the State of New Hampshire, will provide clarification about what will be required of motor carriers at roadside. NH State Police TFC, Kenneth Phoenix, will review what drivers can expect to be asked and what they will need to provide during roadside inspections.

Don't miss this opportunity! Handouts will be given to those attending.

The presenters are:  
Steve Piwowarski, Division Administrator, FMCSA - NH  
TFC. William Burke, NH State Police, Troop G  
Geoffrey Doughty, Safety Specialist, NHMTA
